## **Hyundai Motor Group Fosters Collaboration**

## at Hydrogen Council Global CEO Summit

Hyundai Motor Group co-hosted the Hydrogen Council Global CEO Summit in Seoul, gathering 200 global leaders to advance hydrogen collaboration and scale deployment. The event marked Korea's rise as a hydrogen innovation hub and featured a fully hydrogen-powered fleet, including 50 NEXO SUVs and six UNIVERSE Fuel Cell buses.

## Pulled hydrogen plant 'discouraging' for net zero

BP has withdrawn from its planned H2Teesside blue hydrogen project in Redcar after a dispute over land use, raising concerns about the UK's hydrogen ambitions. Scientists called the move "discouraging" for net zero progress, warning it could hinder the nation's goal of producing 10 GW of low-carbon hydrogen by 2030.
